Re: Sales Tax Exempt Purchases in Kansas

Please read the following instructions and explanations carefully:

In order to claim an exemption from sales tax on purchases in KS a copy of the Sales and Use Tax Entity Exemption Certification, as attached below, must be presented to the vendor at the time of purchase. Be sure to fill in the seller's name and address, as well as the description of goods and/or services purchased.

In addition, payment for the item and/or services must be made using university funds (ex. GW check or GW p-card). If payment is made using a personal credit card or check, you will have to pay sales tax on the item and/or services, even if later you will be reimbursed by the university.

The KS exemption certificate should apply to most purchases.

Note that GW sales tax exemptions cannot be used for personal purchases.

If you have any questions or concerns regarding KS sales tax exemption, please feel free to reach us at 571-553-8313 or email at tax@gwu.edu.

Sincerely,

EXEMPT ENTITY INFORMATION:

Authorization and scope:

- K.S.A 79-3606(c) & (d) - Public or Private Elementary or Secondary Schools or Nonprofit Educational Institutions.
- Exemption applies to all direct purchase, rental or lease of tangible personal property and services, except purchases of goods for human habitation and indirect purchases by a contractor for a real property project with a PEC.

Limitations:

- Only direct purchases are exempt through the use of this certificate.
- This entity qualifies for exemption on indirect purchases by a contractor through the issuance of a Project Exemption Certificate (PEC). PECs should be obtained from the department prior to the start of the project. Apply on-line at KDOR's web site: www.ksrevenue.gov
- This exemption does not apply to the purchase of any construction machinery, equipment or tools by a contractor used in the constructing, maintaining, repairing, enlarging, furnishing or remodeling facilities for the exempt entity.
- Subject to sales tax are purchases of capital goods used for human habitation (i.e. residential housing and dormitories) to include materials for construction, remodeling or repair and furnishings such as beds, curtains, desks and furniture. Labor services on dormitories are exempt as residential construction.
